High scores. Low interruptions.

Amp up your gaming experience and turn down the distractions with the built-in Game Booster. Block out alerts, sharpen sound quality and regulate your device's temperature—so you can focus on the game and nothing else.

Pro-grade shots in just a snap

Capture professional-quality photos with the Galaxy S10 Lite camera. Take beautiful pictures even in low light with the 48MP main camera and use the 12MP ultra-wide lens for expansive landscape shots. The all-new 5MP macro lens renders tiny objects and textures in breathtaking detail. And the 32MP front camera knows its way around a stunning selfie, thanks to Live Focus that adjusts background blur to create dramatic portraits.
