## Introducing the Galaxy Tab A 8.0"

Sleek and powerful, the new Samsung Galaxy Tab A 8.0" lets you browse, watch your favorite shows and movies, play games, and get things done on a tablet that's light and comfortable in your hands. With a long-lasting battery and expandable memory, the Galaxy Tab A 8.0" is built to keep up with you.

### Minimum bezel. Maximum view.

The Galaxy Tab A 8.0" is designed with a minimized bezel, giving you more room to view your favorite content in a slim, comfortable form. The premium metallic finish and lightweight design make it easy to use around the house or on the go.

### Entertainment-ready

An 8.0" display immerses you in content, and dual speakers deliver spacious surround sound.

### Binge-ready battery

Browse, watch or shop up to 13 hours<sup>1</sup> on a full charge. Even after playing your favorite games during the day, there's still enough power to catch up on your must-see shows later.

### Room for everything

Keep your favorite songs, photos, videos and games, thanks to 32GB<sup>2</sup> of built-in memory. If you do ever need more, you can expand your storage space up to 512GB with a microSD card.<sup>3</sup>
