

SAMSUNG

Introducing the new Galaxy Tab A 8.4"

Go anywhere and stay connected¹ with 4G LTE on the Samsung Galaxy Tab A (8.4", 2020). With a long-lasting battery, you can stream your favorite music, shows and movies for hours² on a single charge. Whether you're traveling, unwinding or enjoying a quick break, Galaxy Tab A's compact, slim design and vivid display make it the perfect companion. Head out, and stay connected without Wi-Fi.

Entertainment ready

Experience entertainment on a vivid, crystal clear display paired with dual speakers for spacious surround sound.

Binge-ready battery

Long-lasting battery gives you hours of use, while its Fast-Charging USB-C port allows you to quickly recharge.³

Room for everything

Store it all with built-in 32GB internal memory. Expand up to an additional 512GB with a microSD card⁴ at any time.

No Wi-Fi needed

Simply add the Galaxy Tab A to your existing data plan, and you're ready to use it anywhere. 4G LTE connectivity lets you browse your favorite websites and streaming platforms, no Wi-Fi needed.

Perfectly portable

The Galaxy Tab A gives you more room to view your favorite content on its expansive display. The premium finish and lightweight design make it easy to use at home and on the go.
