Introducing the Galaxy A50

Designed for the way you live, the Samsung Galaxy A50 is the smartphone you've been looking for. Go all day and into the night with a high-capacity, long-lasting, fast-charging battery. Capture life's moments exactly the way you want to remember them with the Galaxy A50 multi-lens camera. And elevate your entertainment experience with a vibrant 6.4" Infinity Display that delivers a clear, edge-to-edge view.

Long lasting. Fast charging.

Go longer with an all-day battery,[1] and power up quickly with Fast Charging.

A camera for any occasion

Capture images in their entirety, shoot vibrant low-light photos, and take flattering selfies.

Capture more of the world around you.

Fit more of what you see in every shot, thanks to an ultra-wide 123° field of vision.

Broaden your view.

The sleek 6.4" Super AMOLED screen has an edge-to-edge display that's designed to fit easily in your hand.

Stunning photos, day or night

The dual aperture lens[2] automatically adjusts in low light, so your images turn out sharp, day or night.

Focus on what matters.

With Live Focus, you can highlight food, friends or even yourself, and adjust the shot later.
