## Introducing the **Galaxy Fit**

Look and feel your best with the lightweight yet durable Samsung Galaxy Fit.<sup>1</sup> Easily track your fitness and wellness, day and night, in clear, vivid color. A simple glance at your wrist lets you monitor workouts, heart rate and sleep. And keep an eye on notifications from a comfortable, stylish fitness tracker that lasts up to a week on a single charge.<sup>2</sup>

### **Starts tracking when you start moving**

Walk, run, cycle, even hop on the elliptical—the Galaxy Fit automatically detects and tracks<sup>1</sup> what you're doing.

### **Keep going 24/7.**

Track your day's activities and your night's sleep continuously with a battery that lasts up to a week on a single charge.<sup>2</sup>

### **Your health on vivid display**

The always-on, full-color display gives you real-time info at a glance. Touch or swipe to scroll between workouts and notifications.

### **Tough, like you**

Made with a swim-ready design<sup>3</sup> and military-grade durability to protect it against bumps, dust, extreme heat and bitter cold.

### **Live well every day.**

Tracks daily steps, calories burned, water/caffeine intake and more. Monitors sleep patterns, and sends real-time alerts if detecting an irregularly high heart rate.<sup>1</sup>

### **Get notifications. Reply quickly.**

You're always connected, so you'll be notified of incoming calls or texts right on your Galaxy Fit. Plus, send quick, preset replies, and keep an eye on schedules, the forecast and more.

### **Designed to work together**

Pair your Galaxy Fit with your Galaxy smartphone to get credit for every move and stay connected with calls and texts.
