

Galaxy Watch Active

The lightweight, yet durable¹ Galaxy Watch Active understands the way you work out. With auto workout tracking, you'll have the power to reach new goals. Plus a suite of apps help you to monitor your stress and sleep while you stay connected.

Features

Track your way to real results

Automatically detects up to seven exercises, while tracking up to 39 more, right from your wrist.²

Resolve to rest better.

Helps you analyze your sleep patterns and encourages you to wind down to keep you refreshed and at your best.

Let your body be your guide.

Sends you real-time alerts if ever detecting an irregular beat, so you can be more proactive about your heart health.
