

SAMSUNG

Introducing the

Galaxy J3

An easy-to-use Galaxy smartphone designed for your lifestyle. Shoot and share on a simple camera with plenty of storage to keep your photos and videos. Browse and stream on the go, and get customer support when you need it.

Capture your life

Our best Galaxy J3 camera yet easily captures crisp, bright memories on an 8MP main camera and great selfies on a 5MP front camera.

Beautiful design. Bold screen.

See the difference of a sleek Samsung design that fits comfortably in your hand, bag or pocket. Easily scroll through photos and send texts on the 5.0" HD screen.¹

Expert customer support

Make the most of the Galaxy experience with real-time customer care² that's just a tap away. Use the Samsung+ app for one-touch access to community support, tips and more.

No-fuss navigation

With Easy Mode, get right to what you want on a simplified interface with larger fonts and fewer icons on each page.

Stay charged

Browse and stream movies and music for longer with a long-lasting battery³—all with the assurance and convenience of a replaceable battery.

Room to grow

Store your favorite photos with 16GB⁴ of built-in memory. When you need more space, expand your memory up to 400GB with a microSD card.⁵
