Galaxy Note8

Say it your way.

With the powerful built in S Pen, take notes without unlocking your screen, handwritten messages and make GIFs.

Shoot like a pro.

Whether you're shooting in the dark or from a distance, photos are clear with less blur on the world's first Dual Camera with Optical Image Stabilization on both lenses. Want even more control? Switch to Pro Mode for all the options you'd expect from a DSLR.

Do two things at once.

Stop switching back-and-forth between apps. With App Pair,¹ you can launch two apps with a tap and use them side by side on the immersive Infinity Display.
