

SAMSUNG

Introducing the **Galaxy Tab S4**

Tablet mobility. PC power.

Explore, work and watch your favorite shows on a clear and stunningly brilliant screen. Transform your Samsung Galaxy Tab S4 into a PC experience with the taskbar you're used to with the revolutionary DeX.¹ Create a PowerPoint presentation and revise budgets in Excel at your favorite café. Then edit, sketch and capture inspiration with the included S Pen. And using far-field mics, you can even control your Galaxy Tab S4 from a distance with Google Assistant.

Transform your tablet into a PC

Attach the keyboard cover² and DeX will transform your tablet into a full desktop experience. Seamlessly juggle apps and programs with the familiar taskbar, while dragging and dropping between windows.

Pen provided. Imagination unlocked.

Personalize messages with GIFs and jot down ideas without unlocking your tablet. The included S Pen translates, clips, magnifies, and never needs charging.

At your command.

With far-field mics, your tablet listens and responds to your voice when your tablet is across the room. Get answers, take calls, play a song, check the temperature and more.

Crisp. Clear. Captivating.

A wider 10.5" Super AMOLED display and corner-to-corner 16:10 ratio deliver true cinematic experiences.

Truly cinematic surround sound

Dolby Atmos[®] surrounds you in sound, giving you a true cinematic experience. Plus, quad speakers—tuned by AKG—deliver true-to-life audio quality.

Charge fast and go

Power up quickly with fast charging. And get up to 16 hours³ of video playback on a single charge.

SAMSUNG

Technical Specifications

Display

10.5" WQXGA
2560 x 1600 pixels

Processor

Octa-Core (2.35 GHz + 1.9 GHz)
